## INDIAN FOREIGN RELATIONS AND POLICY: A BIBLIOGRAPHY

Sanford R. Silverburg, Ph.D

Professor Emeritus, Catawba College, Salisbury, NC, USA

### ABSTRACT

The bibliographic guide is presented to assist students and researchers alike, interested in Indian involvement in international relations and global politics. The listings are limited to relevantly recently published books and because so much of international relations literature is found and published in western outlets, this bibliography reflects materials principally, but not entirely, in India or the sub-continent.
